

Contract Job vs Permanent Job (vsdiff.com)

Criteria	Contract Job	Permanent Job
Job Duration	Temporary, typically limited to a specific project or timeframe	Indefinite, with no predetermined end date
Job Security	Lower stability, employment can end when contract is fulfilled	Higher stability, ongoing employment unless terminated
Benefits	Limited benefits, often no health insurance or retirement plans	Full benefits, including health insurance, 401(k) plans, etc.
Flexibility	Greater flexibility in work schedule and location	Standard work hours, less flexibility
Professional Development	Limited training opportunities	More training and career advancement opportunities
Income Potential	Higher hourly rates, but no paid time off	Stable salary with paid time off and bonuses
