

Dogs vs Cats (vsdiff.com)

Dogs	Feature	Cats
Loyal, social, and enjoy group activities with their owners.	Personality	Independent, reserved, and affectionate on their own terms.
Require daily walks, exercise, and more active engagement.	Care Needs	Low-maintenance, mainly need food, litter cleaning, and occasional play.
Generally louder, bark to communicate and alert owners.	Noise	Quieter, meow softly and purr when happy.
Good with families, children, and other pets if socialized properly.	Family Suitability	Best for individuals or small households, less tolerant of rough play.
Lifespan ranges from 10 to 15 years depending on the breed.	Lifespan	Typically live 12 to 18 years, sometimes longer.
Require more space, better suited for houses with yards.	Living Space	Adapt easily to apartments and small spaces.
Offer protection and can serve as guard animals.	Protection	Do not provide protection, mostly companions.
