

Office Perks vs Higher Pay (vsdiff.com)

Criteria	Office Perks	Higher Pay
Job Satisfaction	Can boost morale and create a positive work environment	Can lead to higher financial comfort but less emotional satisfaction
Work-Life Balance	Flexible schedules and fun activities promote balance	May lead to more hours worked to justify higher pay
Employee Retention	Enhances loyalty, reducing turnover	Can retain talent, but may not foster loyalty
Attraction of Talent	Unique perks can draw candidates	Higher salaries are a strong magnet for job seekers
Long-term Benefits	May include health benefits and growth opportunities	Directly impacts financial security and retirement savings
