

## Open Office vs Private Office (vsdiff.com)

Feature	Open Office	Private Office
<b>Cost</b>	Lower overall expenses due to shared space	Higher costs due to individual office setup
<b>Privacy</b>	Limited privacy; potential distractions	High privacy; minimal distractions
<b>Collaboration</b>	Encourages teamwork and collaboration	Limited collaboration; more individual work
<b>Flexibility</b>	Highly adaptable with different work zones	Fixed layout, less flexibility in space usage
<b>Noise Levels</b>	Higher noise levels; can be distracting	Quieter environment; conducive to concentration
<b>Aesthetics</b>	Modern and open design, can feel welcoming	Traditional and formal, may appear isolating
