

## Work From Home vs Hybrid Work (vsdiff.com)

Criteria	Work From Home	Hybrid Work
<b>Flexibility</b>	Highly flexible, offers complete control over work hours and environment.	Moderate flexibility, allows some remote work while requiring in-office presence.
<b>Work-Life Balance</b>	Improves work-life balance as employees can manage their personal and professional lives better.	Provides a balance but may create challenges with commute and office expectations.
<b>Collaboration</b>	Can hinder spontaneous collaboration due to lack of physical presence.	Facilitates collaboration with in-person interactions and remote flexibility.
<b>Company Culture</b>	May weaken company culture due to isolation and lack of interaction.	Helps maintain company culture with regular face-to-face meetings.
<b>Productivity</b>	Can increase productivity for self-motivated individuals.	Productivity levels can vary based on team dynamics and environment.
<b>Cost Savings</b>	Saves on commuting and work attire costs.	Provides partial savings but may incur costs for commuting days.
