

Digital Nomad vs Remote Employee (vsdiff.com)

Features	Digital Nomad	Remote Employee
Location Flexibility	High – Can work from anywhere in the world	Moderate – Usually constrained to specific countries or regions based on company policy
Work Hours	Flexible – Often set their own hours	Fixed – Typically works within standard office hours
Job Security	Low – Often freelance or short-term contracts	High – Generally offers more job stability
Benefits	Limited – Usually no health insurance or retirement plans	Comprehensive – Includes health benefits, retirement, and paid leave
Networking Opportunities	Varied – Depends on personal efforts and locations	Structured – Often includes company events and gatherings
Work-Life Balance	Challenging – Can blur lines between work and leisure	Better – More defined boundaries due to schedules
