

Freelance Consulting vs Corporate Consulting (vsdiff.com)

Feature	Freelance Consulting	Corporate Consulting
Flexibility	High flexibility in choosing projects and hours.	Structured schedules, less flexibility.
Client Interaction	Direct communication with clients, strong relationships.	Often limited interaction, mainly through account managers.
Income Potential	Variable income, potential for high earnings.	Stable salary with structured pay increases.
Work Environment	Home office or remote work, independence.	Office environment, team collaboration.
Business Development	Responsible for finding clients and projects.	Given clients, minimal personal business development.
Job Security	Less job security, reliant on personal brand.	Greater job security, backed by a corporation.
