

Hybrid Workplace vs Fully Remote (vsdiff.com)

Feature	Hybrid Workplace	Fully Remote
Flexibility	High, allows for a mix of office and remote	Very high, complete freedom to choose work location
Communication	In-person and digital interactions	Primarily digital communication
Work-life Balance	Good, but may vary based on days in-office	Excellent, full control over environment
Team Cohesion	Potentially better with face-to-face meetings	Cohesion challenges without physical presence
Productivity	Can vary; in-office days may boost motivation	Generally high; tailored work environment
Cost	Shared costs, like office rent and utilities	No commuting or office costs, but may require home office investment
