Outsourced HR vs In-house HR (vsdiff.com)

Feature	Outsourced HR	In-house HR
Cost	Generally lower due to reduced overhead.	Higher because of salaries, benefits, and operational costs.
Expertise	Access to **specialists** with varied experience.	**Limited** to the specific skills of in-house staff.
Control	Less **control** over HR processes.	Greater **control** and customization options.
Scalability	*Easier to scale up or down* according to needs.	More **challenging** as it requires hiring or retraining.
Compliance	Stays updated with changing regulations.	Requires ongoing training to ensure **compliance**.
